Our premier opt-out and monitoring service will remove you from the internet's people-search websites and databases. We have been in business for 10 years, helping members of law enforcement and their families, maintain their privacy in the digital age. Today, anyone can find out where you and your family lives with just your first and last name. Our proprietary software gives you the control to monitor and remove your information from the internet.

How it works:

1. Purchase one of our plans.
2. You will receive an email with log-in credentials.
3. Log in at leprivacy.pro/login.
4. Add new member information.
5. Click the red search button.
6. Review the search results and select which ones you want us to remove.
7. We review your submissions and remove your information from those websites.
8. Our system monitors the internet and notifies you once your information is being displayed on the internet.
9. Satisfaction guaranteed or your money back. No questions asked.

☐ I agree to create my PayPal account now. I have read and agree to the Communications Delivery Policy, which provides that PayPal is an online service and that I will receive all account notices and information electronically via my primary email address. I have also read and agree to the User Agreement and Privacy Statement. If you provide a mobile phone number, you give us permission to contact you about your PayPal branded accounts using automated calls or texts to service your accounts, investigate fraud, or collect a debt, but not for telemarketing. If you don't want to receive automated calls or texts, you can change your preferences in your account settings at any time.

I want to use the card I entered above for automatic payments to Leprivacy.org. I understand that if this payment method is expired or declined, the payment method used will follow PayPal Policies, and if I hold a balance with PayPal, that balance will be used first to complete my payment. I can change my payment method or cancel this authorization at any time in my Settings.
